गुरुदेव श्री स्वामी विश्वास जी

Director Message

***“If our school is a pen, the parents are the ink;
joining together we can write the success story of
educational development of our children”***

The school has earned a well-deserved reputation for high expectations, academic excellence and a positive, safe learning environment in which each and every child is able to learn and grow. We are sure that our students will continue to shine as brightly as ever before. It is our dream to acknowledge the school as a leading institute in quality education with modern teaching and learning techniques but with traditional and moral values. It is our sincere hope inspired by **Gurudev Shri Swami Vishvas Ji** that we shall be able to take this prestigious institution of education to new heights of excellence.

“Do the work with intention not because of compulsion.” With all my love, best wishes and blessings.

Sadhvi Neelima Vishvas

B.A (HONS) M.A.M.PHIL (Gold Medalist)

Principal Message

Greetings and welcome to BKM

A place where we nurture each and every child like a sapling under the benign blessings of Revered **Gurudev Shri Swami Vishvas ji**. We are dedicated to provide catalytic impulses to sharpen the mind by stretching the inherent learning competencies of every child. Meditation ,which is a regular feature of the school assembly gives a chance to self discovery and adds values to the soul of a child.

Life skills are being taught to face the life challenges , to be good at heart and rich in moral values .We at BKM always strive for physical fitness through yoga and sports .The parent-teacher trust and mutual understanding is a real secret to students optimum development. Our goal is to inspire staff, students and community to work together enthusiastically .

We believe that every child is special and unique. Strong and positive culture of BKM surely help the students to grow in various capacities and achieve life time success.

"If a plant is carefully nurtured by a gardener, it will become good, and produce better fruits." Therefore, children must be given a good training from their earliest childhood. We are here for the same. I am sure that our students of today, tomorrow will carry forward the Motto of love and unity entrusted in their hands at B.K.M VISHVAS SCHOOL, PANCHKULA.

I wish you a brilliant career and bright future.

Regards

Anju Bala
M.A B.Ed

Education Is not preparation for life; education is life itself.

Welcome

A school is a place entangling learning and joy, combining knowledge and lessons of life for an enriched tomorrow. Today's schooling is not only about looks and classes; It's about creating educated human beings and developing civilised social, literate and successful citizens of future which is the ultimate goal, B.K.M Vishvas School has been pursuing this since its establishment under the direction of its founder and head. Her Holiness founder **Sati Sadhvi Behan Krishnamurti Vishvas Ji.**

This school was started in the year 1987 by Vishvas Foundation, a socio-spiritual organization having its branches all over the world with the blessings, guidance and under the direction of its founder and head, His Holiness **Gurudev Shri Swami Vishvas ji** for imparting modern education based on Indian Culture.

Curriculum and Medium of Instruction

The school is affiliated to the Haryana Education Board, (No G-1/2004/1999 dated 31.03.2005) up to Middle Class, follows N.C.E.R.T syllabus. Three languages are taught so that the children can be well versed in English, Hindi and Punjabi medium of instruction.

Our Mission

BKM aims to instil in each child a sense of inquisitiveness and exploration and an urge for experimentation, observation and synthesis. We endeavour the learning process from the boundary of the four walls of class rooms and take it to activity, workshops, laboratories and library. Every child encouraged to inculcate the values of citizenry; a commitment to good health, high values and sensitivity to the environment. We strive to guide and support each child in their journey from primary to Middle school and then prepare them for the journey beyond school.

Aims and Values

The principal and staff of B.K.M Vishvas School;

- Help pupil develop a love of learning in which a great care is taken of the individual needs of the students.
- Have the highest standards in academic, physical and social behaviours.
- Provide and maintain a secure, happy caring environment.
- Help pupils value the diversity of the world today.
- To make children aware of and respect core Indian values.
- Encourage children to make healthy lifestyle choices.
- Allows children to have a voice and make a difference.
- Help children to provide virtual learning.

Personality Development & Co-Curricular Activities

Discipline, organised living and good habits are qualities which can be developed in a child. The staff is putting in its best to mould the students into balanced, well rounded personality through different hobby clubs i.e.-vocal, instrumentals, aerobics, poster making, skating and karate. Inter-House Competitions are also organized to develop skills as well as to find an opportunity to work as a team, learning to respect the elders, behave confidently and making friends with other children, to resolve situations independently with confidence and get counselling to remove doubts.

Educational Tours

Outdoor camps, tours & picnics are organized from time to time to give the child some educational and recreational exposure. Faculty members accompany the students to ensure smooth conduct and learning. The students learn as well as enjoy through these trips.

Laboratories

To build up the scientific temper and train the students for a scientific approach towards life, the school has modern well equipped Laboratories of Science and Mathematics. The School has a spacious MULTIMEDIA COMPUTER LAB having sufficient number of computer sets with Broadband Internet Connectivity. Using modern technology of Software, the animations are also used to make the subjects more interesting and understandable.

Library

The School has been provided with excellent library facilities, managed by a qualified librarian. The library is well stocked with text and reference books, periodicals, journals, magazines and newspapers, books on Science, Religion, Sports, Discovery, History, Culture etc. Books are provided to the students on library tickets for a week. A well ventilated newly constructed room has been provided to cultivate habits of reading among students to enhance their awareness.

Smart Class

Smart Classes provide an interactive atmosphere which results in more transparency between teachers and students. To change the method of teaching & to make the subject more interesting & understandable Vishvas School is having the 'Concept of Smart Class'.

Art and Craft

The school has also provided Art & Craft classes where students learn to create beautiful handmade things like toys, purses, carry bags, candles etc. They also make items from wood, pop and clay. Their creations are displayed at various places in the school as well as at exhibitions.

Hobby Classes

The school is a beehive of interesting activities to bring about comprehensive growth of students' personality. A significant feature of the School is its hobby classes in regular time-table. Students are being given training in Yoga, Music, Dance, Art & Craft and Home Management.

Exhibition

In education, the term exhibition refers to projects, presentations or products through which students exhibit what they learnt. Annual exhibition is held every year in this school in so that students can use their capabilities and skills in such a way to choose the best method to represent the things that they have learnt.

Music & Dance

Another notable feature of the school is its special focus on imparting training in Music and Dance. The school has latest musical instruments to explore inherent taste of music in students under the guidance of trained faculty. The school has provided separate well equipped Dance & Music rooms for both the activities.

Holistic Education

The school aims to provide holistic education to the students. The school looks after the mental and spiritual growth of the students by imparting them regular training in yoga & meditation. The students are provided appropriate environment to indulge in yogic exercises & meditation. Besides, the following schedule is followed:

Morning assembly.

A bridged talk on ideas and thoughts of our great spiritual masters.

Vishvas Meditation for 15 minutes daily after the assembly and 10 minutes before the school is over.

Physical Development

In the modern city life, there are no facilities for the children to play. Environmental pollution and lack of exercise ultimately tell upon the health of the children who are physically fit will grow up to be healthier human being. In Vishvas School full attention is paid for the Physical Development of the children, Karate, Skating, Basket ball, Football, Badminton, Volleyball, Kho- Kho, Yoga, Chess & Carrom are essential sports which every child should learn. These not only help them to face odd moments in life but also help them to become physically fit & strong and more confident.

Medical Aids

The school provides the facility of Medical Aids in case of emergency. A regular medical checkup is also done every year by the doctors and dentists. The school aims that every student should be healthy and medically fit.

Audio-Visual Aids

We understand that the use of incorporating technology into curriculum can greatly increase the effectiveness of teaching. Our school is making extensive use of audio-visual aids to transform ordinary teaching methodology into an advanced learning experience.

Table-Manners

The young students of junior classes also undertake training to learn etiquettes and table manners.

Calligraphy Classes

The school provides special calligraphy classes to improve the writing skill of students and special trainers are there for this work. In these classes, students get remarkable change in their writing.

Spoken English

As we all know that English has come to stay in our country as the language of professionals. So we are providing spoken classes to students. At the young age, it is much easier to make the child learn a language, than when he is grown up.

Staff

The school has highly qualified trained, experienced and dedicated teachers. Almost all the staff members are post graduate; some of them have high academic and professional degree viz. M.Ed, B.Ed etc. There is a counselor also who gives valuable assistance to students helping them with academic goals and career development.

Additional

- ✔ A well equipped and air- conditioned Activity Hall.
- ✔ Generators to supply electricity in case of power cuts.
- ✔ Water coolers with water filter (Aqua-Guards) to supply cold water during summer.
- ✔ Library for students.
- ✔ CCTV Cameras are placed at every suitable location in the premises of the school in terms of security measurement of the students.

Transport

A reliable school transport fleet including- comfortable buses and Vans to cover whole of the town and surrounding areas.

Registration and Admission

Parents/Guardians who are seeking admission of their wards in school must first register them with the school. Registration-cum Admission form complete in all respects must be submitted in the school office along with the registration fee at the earliest. Registered applicants for Admission will be called for interview and I.Q. Test. Admission will be made strictly on the basis of merit and depending on the availability of seats. REGISTRATION does not guarantee admission. School prospectus along with admission form can be had from the school during office working hours on payment of Rs. 150/-

- The school reserves the right to refuse admission/re- admission without assigning any reason. The decision of the Principal will be final in this respect.
- All admissions are provisional.
- No. of seats and dates can be changed at the discretion of the Management.
- The dues once paid shall not be refunded if the student leaves the school after admission on any ground.
- The school is open to all – irrespective of caste, colour or creed. The school aims at keeping only manageable number of students in class which can be individually looked after and cared for by the teacher.

Documents Required for Admission

Following documents must be submitted at the time of admission:

- Attested copy of Birth certificate.
